**Aims and objectives**

*What do you wish to achieve by providing regulated activities?*

*How will your service help the people who use your services?*

*Please use the numbered bullet points:*

Holly Tree Surgery is a GP practice based on the outskirts of Farnham serving approximately 5,500 patients on the Surrey/Hampshire border. The practice offers comprehensive medical care including:

- a unique system of walk-in morning (8:30-10 am) and evening (3:30-5:15pm) surgeries. No appointment is necessary and all patients attending the walk in surgeries will be seen by one of our four doctors.
- nurse appointments with one of our 3 nurses
- a comprehensive range of specialist clinics
- minor surgery
- an on-site dispensary for easy collection of prescriptions providing the patient does not live within 1.6km of another chemist.

**Brief description of location<sup>2</sup>**

The building was converted to a GP surgery in 1993 and is being continually updated to improve facilities for our service users.

All the main consultation areas (4 consulting rooms, 1 nurses' room and treatment room), reception and dispensary are all located on the ground floor and are therefore easily accessible by all. Disabled parking is provided at the front of the building and a limited number of parking spaces are also provided for patients at the rear of the building.

There are 3 partners at the surgery and 1 salaried doctor each having their own areas of expertise. We also have 3 nurses and a health assistant.
