

**Pharmacy2U is NOT your GP Dispensary or Local Pharmacy. It has no more affiliation with the NHS than any other High Street Pharmacy.**

You may have received a leaflet in the post or via email inviting you to get your repeat prescriptions from a company called Pharmacy2U. Here are some important facts about Pharmacy2U which we feel you should know:

- Pharmacy2U is a distance selling (internet only) pharmacy, based on an industrial estate
- As a patient, you cannot have any face-to-face contact with Pharmacy2U. Distance selling pharmacies like this are only allowed to deal with patients by post, telephone or via the internet but not in person
- Prescriptions from Pharmacy2U are delivered by Royal Mail unlike your medications which are handed to you by your GP dispenser or local pharmacy

**PLEASE SUPPORT US TO CONTINUE CARING FOR YOU AND YOUR FAMILY by ignoring any correspondence from Pharmacy2U and obtaining your prescriptions from your GP Dispensary or your Local Pharmacy if you are a non-dispensing patient**

**Please note that your details have not been passed to Pharmacy2U from this surgery**

**Remember if you do not use us, you may lose us!!**
